+The Affirmation of Faith

"The church in the world consists of all who respond in faith to God's saving grace and who enter into formal covenant with God and each other. The children of believers are included in this covenant community and are under the special care and instruction of the church and their parents or guardians.

Because the church in the world consists of persons who are imperfect in knowledge and in the power to do God's will, she waits with eager longing for the full redemption of the family of God. Until that time God wills that all believers worship and witness through the church in the world and promises to guide her life and growth through the Holy Spirit.

The church in the world never exists for herself alone, but to glorify God and work for reconciliation through Christ. Christ claims the church and gives her the word and sacraments in order to bring God's grace and judgment to persons."
